

### First Pres Profile Instructions

1. Please write clearly and fill out both **front** and **back** of the profile.
2. If you have already filled one out last Sunday (front and back) thank you! You do not need to fill out another one.
3. If you turned in an incomplete profile or want to add something, get another sheet and but your first and last name on it and fill in what you left off or want to add and turn it in.
4. The profile is written in order that one person can fill it out for everyone in the family. Not every member of the family needs to fill out a separate sheet.
5. Don't worry if you don't know an answer to a question. Fill out the profile to the best of your knowledge and skip questions that don't apply to you or your family.
6. Don't forget to **sign your name** next to your answer regarding the publishing of photos.
7. Once you have completed filling out your profile sheet, hang on to it and we will collect them during announcements and then we will draw for the movie tickets.
